Letter No. 777 dated the 31st Dec. 1907 from the President.

Submits the records of the case and states that, as the Municipal Board have resolved to abolish the duty on ghee the income therefrom being only Rs. 10/- a year, the same may be abolished altogether.

The levy of duty on jaggery, sugar and oil seeds in the town of Pithapuram has been suspended for a period of three years commencing from 1906-'07. The Sub-Divisional Officer's report on the present petition shows that the duty on oil seeds was yielding comparatively a larger return. May the levy of duty on ghee be ordered to be similarly suspended till the end of 1908-'09? Pending orders on the President's report of the Board's financial position in March 1909?

Submitted to His Highness.

In January 1906 the President of the Municipalities in the Kolar District reported that on a petition from certain inhabitants of the Sidlagatta town praying for the abolition of the Octroi duty in that Municipality on sugar, jaggory, ghee and oil-seeds, the Board had resolved to abolish the duty on all the above articles except ghee, and requested sanction to the proposal of the Board. Government thereupon directed in Government order dated 17th March 1906, that the duty on sugar, jaggory and oil-seeds be suspended for 3 years from the 1st July 1906.

The inhabitants of Sidlagatta have again petitioned that the duty on ghee also may be removed. The Municipal Board has recommended the abolition of the duty on ghee, as the realisation from this source amounts to Rs.10 only per annum and the President supports this recommendation.

Both the Councillors are of opinion that the duty on ghee may also be suspended until such period as the duty on oil-seeds, sugar and jaggory

remain suspended; and that the whole question of reviving or abolishing these duties may be considered then.

This may be sanctioned.
